

the Illumination

P R O J E C T

A six-week study answering questions
about these important issues:

MARRIAGE, DATING, SINGLENESS

MALE-FEMALE RELATIONSHIPS

FAITH

LIFE'S WOUNDS

AND MUCH MORE . . .

*Don't settle for the status quo. Ask questions.
Get answers. Together.*

The filmed series captures a candid conversation between Joy Eggerichs and
her father, Dr. Emerson Eggerichs.

(Dr. Emerson Eggerichs is the author of the best-selling marriage book Love and Respect.)

WHO: EVERYONE!

No, really! While this study was created for 18- to 35-year-olds, it's a great tool for mentorship and bringing together young and older, men and women, single and married.
